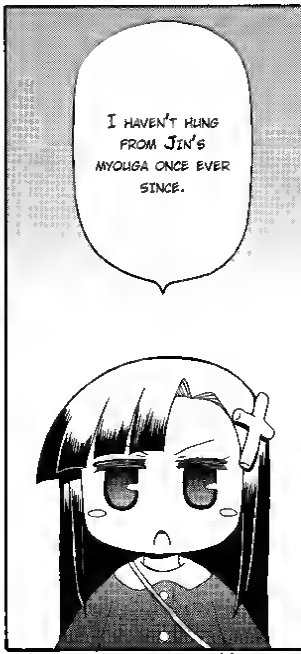
-I see. Late.
Today Jin and Nagi-san went to their club activity, so I think they won't be back until late okay?
-Ahh, for Pachi-san?
Please play with him a lot
U-m... Sango-chan?
Why are you in front of Jin's house?

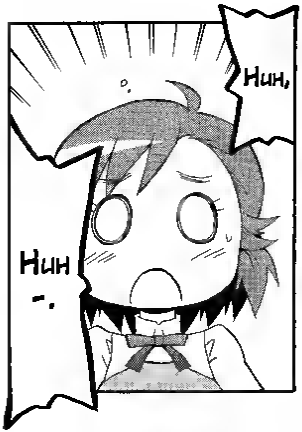
Because she discovered a feeling that she couldn't forget by touching his myouga, she made Jin take responsibility and made him promise to "Let her touch his myouga once in a while."

Myouga (Japanese ginger).

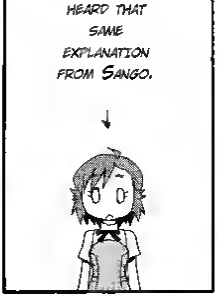
Before, Sango accidentally grabbed Jin's myouga (Jin's penis).

For people who don't understand or people who forgot, I'll explain!





-She just heard that same explanation from Sango.



N-n-n-no.
A girl mustn't hang from Jin's... treasure!!
Rather, why was such a promise made!?
It was a result after discussing it with Zange-chan-
What made you do that, Zange-chan.
I've been dreaming about it recently.
When I grab the myouga,
-it stretches.
Then I do wire action with it.
I feel there is a game much like it...
Nn?
This is a withdrawal symptom.
I have to quickly hang from it...
That I've began for forget what a myouga is.
I haven't hung from it in such a long time-

Rather than a withdrawal symptom, this is just her simply forgetting how it feels.
SFX: Pat.
Sango--chan.
There is a good way but.
...
Tsugumi's house.
Ye-s.
What's wrong.
Got embarrassed midway.
SFX: Blush.
With delicious cooking-
Every-one-
is happy.
Happy ...
I was trying to lighten the mood-
Be that as it may.

-It will erase the perception that Jin's thing = myouga, and I hope it will weaken the fixation on Jin's thing.
First, I'll cut up the myouga.
I'll cook it, and if I can make her perceive it as a vegetable-

SFX: Pop.

SFX: Shake. SFX: Squeeze.

Why can't I cut the myouga...?
Why...? Why-
...Wh-
SFX: Clang.

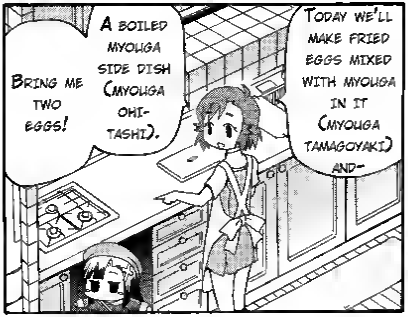
Sango ...chan?
?
Huh-
What-
-is proof that you think about Jin that much.
That, Tsugumi-san-
I...think about Jin. Such a thing is-
And since you are so, you must cook myouga.
What a strange child to suddenly change into an adult-like tone of voice.
Ani overthought what Tsugumi said and went down.
SFX: Sizzle.

I must stop these unfortunate series of events because I myself first started to treat Myoga this way.
But indeed I might be the one who affiliated Jin's thing and Myouga the most.

◆It's hard to correct something when you have made the wrong impression.♥



Bring me two eggs!
A boiled Myouga side dish (Myouga ohitashi).
Today we'll make fried eggs mixed with Myouga in it (Myouga tamagoyaki) and-
